

Want to learn more? Join our free forthcoming webinar...

If you're an in-house communicator and you'd like to know more about the Engaging Manager concept then why not join our free 60 minute webinar on 1 February 2010.

In this fast-paced interactive session you'll learn more about:

- The business case for investing more of your budget in line managers

- The six traits of The Engaging Manager – what makes the great ones stand out from the average

- Fascinating evidence and case studies from a handful of organisations that have put line managers at the heart of their communications

- Our blueprint for improving line manager communication

- How to build managers' communication skills and competencies

- How to hardwire employee communication and engagement excellence into line managers' roles

- How to engage managers in the right way

- How to ensure you feed managers the right content and avoid overloading them

Look out for your email invitation next week or drop us an email at info@gatehousegroup.co.uk.
